UPPER THAMES AND RIDGEWAY NATIONAL TRUST

Aims: To enrich NT membership through talks, excursions, holidays and other social events, recruiting membership from paid-up members of the National Trust to promote and support the work of the National Trust.

Our area covers parts of Gloucestershire, Oxfordshire and Wiltshire not already catered for by surrounding Associations, attracting members from Cirencester, Cricklade, Faringdon, Highworth, Lechlade, Swindon, Shrivenham, Royal Wootton Bassett and local villages.

Our current events include a series of talks during the winter at venues in Cirencester, Lechlade and Highworth, with speakers covering a range of topics of interest. From April to October we enjoy day visits by coach and arrange a holiday of 4-5 days to an area further afield.

We hope you will decide to join the UTRNTA and would ask that you complete the application form overleaf and send it to the Membership Secretary with the appropriate payment.
